

Ashiana Public School, Chandigarh

In order to ensure, the parents are updated timely regarding the school activities, homework, competitions, circulars etc. the school took initiative early this year to launch Ashiana' Mobile App. However, some parents faced problems regarding the downloading the application. In order to make the downloading convenient and easy, the school is once again sharing simple steps to make usage comfortable and convenient. The steps cater to android as well as i-phone users.

- **How to Download :**

Step1- Go to **Google play store**.

Step2- Type '**Ashiana School**' offered by Duke Infosys.

Step3 – Click on '**Install**'.

- **How to Operate Mobile App :**

Step1 – **Enter Username** (stdcode) – Child's admission no.

Enter Password - Child's admission no.

Step 2 – Click on the **Profile** option to check your ward details.

(If there is any mistake please inform to the class teacher as correction will be done by school admin side.)

- **For i-phone users – Go to the School website on Google**

Step1 – Type '**www.ashianapublicschool.com**' in Google search engine.

Step2 – Click on the '**Parent Login**' on the top right corner.

Step3 – **Enter Username** – Child's admission no.

Enter Password - Child's admission no.

Step4- Click on '**Sign in**'.
