

ASHIANA PUBLIC SCHOOL
Sector 46- A Chandigarh

Dear parents

In order to promote E-education/learning, the school is observing 'No Bag Day' on 30th August for the students of classes III-X. The students are supposed to bring tiffin, diary and a rough notebook only. All the periods will be regular working periods where the teacher will take subject periods teaching the students through Tata Edge. This will not only create interest in learning among the students but will also ensure conceptual clarity through audio-visual aid of learning.

Regards

Principal
